Re: Dept. of Engineering – Request for Council Action (October 23, 2023 COTW Meeting)

ACTION ITEMS

ACTION ITEM #1: CLAYCRAFT ROAD WATERLINE REPLACEMENT ST-1089 – AWARD CONTRACT

The Claycraft Road waterline project will replace the existing 12-inch waterline and related improvements (valves, hydrant replacements, site restoration, etc.) along this roadway between Morrison Road and Taylor Station Road. The construction of the water main replacement is being coordinated with the City's future improvements to the Taylor Station Road / Claycraft Road intersection. The existing Claycraft Road waterline was installed in 1968.

On October 11, 2023, construction bids were opened and reviewed. Seven (7) bids were received. The lowest bidder, Dirt Dawg Excavating LLC, had a complete and responsive bid. The Administration recommends awarding Dirt Dawg Excavating the construction contract for this project.

A total of \$2,431,992 is required for the contract, which includes a 10% project contingency to cover any unforeseen circumstances. Adequate funds for this project have previously been appropriated by Council; no additional funds are being requested.

The Department respectfully requests legislation authorizing the Mayor to enter into contract with Dirt Dawg Excavating LLC for the Claycraft Road Waterline Replacement project.

Requested Legislation and Funding

Legislation Needed:	Ordinance
Emergency/Waiver:	30-day referendum does not apply per City Charter (4.14)
Vendor Name:	Dirt Dawg Excavating LLC
Vendor Address:	1681 Orange Rd, Ashland, Ohio 44805
Already Appropriated:	\$2,431,992 from 652.11.000.5505
Supplemental/Transfer (Amounts & Accounts):	N/A
