

Franklin County Public Health
Regulation 105
Approval of Building Plans

Section 105.01
Approval of Building Plans

105.01 (A) Scope. No Person shall construct or change any Structure having or intended to have Plumbing or construct or change any Structure at a place where offensive substances or liquids may accumulate or be deposited until plans have been submitted to and approved by the Health Commissioner.

105.01 (B) Plan review and approval. The plans shall show and describe the manner in which the provisions, if applicable, of Chapter 3701-28 and Chapter 3701-29 of the Ohio Administrative Code, or any applicable Franklin County Public Health regulation, are to be met. In granting an approval authorized by this regulation, the Health Commissioner may stipulate such modifications, conditions, and provisions as the protection of the public health and the prevention of a Nuisance may require.
