

CIP Questions – Finance Committee 7/17/2023

- Follow-up (Section 10.1.2.2) - Utility Systems: any consideration for adding McKenna Creek concerns? (P. 64 of 147)
- P. 86 of 147 – (Section PK-23-082) Wayfinding – Please be prepared to discuss the project priority assignment of “CM” and whether there are plans for general City wayfinding in addition to parks.
- P. 89 of 147 – PK-24-081 – Please be prepared to discuss whether any consideration has been given to constructing additional pickleball courts at city parks other than Friendship Park. On the topic of fencing, is it possible to increase the height of the fencing along the first base lines between fields 1 and 2?
- P. 92 of 147 – PK-24-084 – Please be prepared to discuss specific items relating to park drainage, particularly as it relates to Academy Park ball diamonds.
- P. 120 of 147 – TR-20-1401 – The project overview does not match the title. Please advise if this will be corrected in subsequent draft documents.
- P. 132 of 147 – EQ-22-1405 – Please provide any usage data that the city may have on file for existing stations. Will the cost of charging will be user-paid or city-paid?
