If an employee is assigned to complete at least 50% of the essential job functions of another position or be assigned to special duties for a designated period of time and the position/duties is the same or lower classification while still performing their regular job functions, the employee shall be compensated an additional wage not to exceed 105% of their current rate of compensation. The Human Resources Director will make recommendation to the Mayor for approval. Temporary assignments shall not normally exceed six (6) months. However, an additional extension may be approved based upon the City's operational needs, but may not exceed 18 months in total to include the original 6 months designation.

Section 4. Pay Adjustments

The new pay schedule for ~~2015~~2016 results in a pay adjustment as described below:

- a. All Wage Schedules/Ranges will be adjusted in the Open Range Plan for ~~2015~~2016 by 0% to reflect the local market.

- b. Any employee who is *not* at or above their market rate as of 1/1/ ~~2015~~2016, and who is not within their probationary period, will be adjusted as follows: An employee at the 90th percent of their salary range will move to 92% after the successful completion of their probationary period. The employee will then move to 94% at their one year anniversary date, 97% at their two year anniversary date, 100% at their three year anniversary date upon satisfactory performance each year documented in a performance evaluation. In addition to the anniversary date adjustments they receive during the year, the employee will receive the applicable market increase upon passage of the ordinance.
- c. Any employee at or above market rate who is not in their probationary period will receive the pay adjustment reflected in the Salary Chart
- d. The merit based plan for determining potential salary increases will be suspended for ~~2015~~2016 and replaced with a 2% wage increase effective the first full pay period in January ~~2015~~2016.
