Good afternoon,

The agenda for the Planning Commission meeting on Wednesday, May 14, 2025, at 7:00 p.m. is now available on your iPads and [online](#). Please let me know if you plan to attend.

Also, for your information, I have received one communication from a contiguous property owner for application V-13-25. Neighbor Caleb Redfern at 315 Rivers End Road called to express his support of the application, though he does not plan to attend the meeting in person.

Have a great weekend!
Sophia
