

Gahanna

Proclamation

Congenital Heart Defect Awareness Week

February 7 - 14, 2022

WHEREAS: The health and well-being of all children throughout the City of Gahanna are of paramount importance to the Gahanna community; and

WHEREAS: Thousands of children are born with birth defects every year, including approximately 40,000 children (1 in 110) in the United States who begin life with one of more than thirty-five (35) identified forms of congenital heart defects; and

WHEREAS: Congenital heart defects (CHD) are the most common birth defects in the United States and can be fatal due to their seriousness, a lack of effective medical intervention options, and the limited availability of infant donor hearts; and

WHEREAS: The origins and symptoms of CHD are becoming more readily identifiable, and the range of surgical options are expanding continuously, thanks to research efforts and field experiences by doctors and scientists that expand our knowledge every day; and

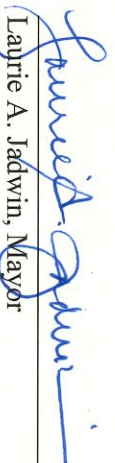

WHEREAS: There still is much to learn about the causes of and effective treatments for CHD, and it is important for parents, family members, pediatricians, and nurses to recognize the warning signs associated with CHD among newborns so that they may provide proper treatment as early as possible; and

WHEREAS: Many families in Gahanna are directly or indirectly affected by infant illness and death caused by CHD, and the City of Gahanna applauds the efforts of doctors and scientists everywhere who are working diligently to solve this medical mystery and to improve the quality of life for our youngest residents and their families.

NOW, THEREFORE, I, Laurie A. Jadwin, Mayor of the City of Gahanna, Ohio, urge Gahanna citizens to join me in raising awareness of this serious health matter in an effort to improve early diagnosis, and do hereby proclaim the week of February 7-14, 2022 as

Congenital Heart Defect Awareness Week

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Gahanna, Ohio to be affixed on this 7th day in February in the year of Our Lord, Two Thousand Twenty-Two.

Laurie A. Jadwin, Mayor
