Re: **Shull Park** PID: 025-000279
Boundary Survey

Dear Tony:

The following proposal is in follow-up to a request from Tom Weber and Isobel Sherwood last February, to resolve a discrepancy between the deed acreage and that shown on the accepting ordinance for Shull Park. It was determined that a boundary survey would be necessary to resolve the matter, and that due to available funds it would have to wait until 2010.

Our fee for the boundary survey and plat would be thirty-five hundred (3500) dollars. Any additional services would be billed according to our current hourly fee schedule. We are prepared to commence the work upon receipt of authorization to proceed.

Thank you for your consideration of our firm for this work. Should you have any questions or comments, please feel free to contact me.

Respectfully submitted,
Terra Surveying Services LLC
