**C. PRESENTATIONS:**

**1. Resolution Presentation by Council - LGBTQ Pride Month  
GLHS United Club, Recipient**

Vice President Weaver introduced a resolution in honor of LGBTQ Pride Month. He welcomed representatives from the United Club at Gahanna Lincoln High School, including advisors Jeffrey Glitt, Jonathan Cinovec, Trina Langsenkamp, Louise Eberle, several student members, and school board member Dion Manley. He described the United Club as an anti-bullying, student-led organization dedicated to fostering acceptance and inclusivity through educational initiatives, community building, and advocacy, aligned with GLHS's values of purpose, respect, integrity, diversity, and excellence. Vice President Weaver commended the club for their meaningful advocacy and invited members for a group photo with Council.

Following the photo, two students addressed Council. Oneita Bryson, a member of the LGBTQ+ community and the United Club, shared their

experiences and the impact of the Council's previous Pride resolutions. Bryson expressed concern that certain identities within the LGBTQ+ spectrum, particularly those under the "plus," were not always explicitly recognized, referencing recent exclusions on the Stonewall Uprising Memorial website. Speaking on behalf of others within the broader LGBTQ+ community, Bryson urged the Council to continue inclusive recognition, emphasizing the need for municipal governments to support marginalized groups. Matt Miller then spoke on the importance of United Club, noting how challenging his freshman year had been until he discovered the group, which provided him with a supportive space where he could express his identity and connect with others who shared similar experiences. He emphasized the importance of maintaining the club for current and future students, regardless of their orientation.

Vice President Weaver and President Bowers both thanked the United Club for attending and speaking, recognizing the importance of inclusivity and advocacy.

**D. HEARING OF VISITORS:**

*Kristy Mishler of Gahanna, OH, spoke on the Parks & Recreation Department's exemplary support for the Gahanna Middle School South 8th Grade end-of-year event.*

Joined by fellow Middle School South teacher Tamara Passa, Ms. Mishler expressed gratitude to Chris Simmons and the Parks and Recreation team for adapting end-of-year activities for students when poor weather prevented swimming at Hunter Ridge Pool. **H. OFFICIAL REPORTS:**

Mayor Jadwin began by recognizing three retiring city employees: Jeff Tedrick (Public Service, 48 years), Rick Darst (Fleet Department, 23 years), and John Pizzurro (Parks Department, 20 years). She commended their decades of service to the city. The Mayor reported the completion of the Our Gahanna Vision Fest and announced that Planning NEXT and Director Vollmer would present an update at the next Council meeting. She also discussed May's Mental Health Awareness Month activities, including citywide wellness events

for staff, and promoted an upcoming mental health panel discussion scheduled for June 18, 2025, at the Gahanna Golf Course. The event would feature panels on caregiving and parenting children with mental health needs. The Mayor further announced a Franklin County Auditor's Community Connects event on June 18, 2025, at the Gahanna Library, to learn more about the services of the Auditor's office. Next, she invited volunteers to participate in a community cleanup event on June 7, 2025, in preparation for the Creekside Blues and Jazz Festival. The Mayor commended the Gahanna Community Chorus for a recent performance titled *Joy* and recognized the director, chorus members, and guest performers. On a somber note, Mayor Jadwin addressed the recent injuries to two Mifflin Township police officers who were shot at during a routine traffic stop and the shooting death of a Morrow County deputy sheriff. She offered condolences to their families and emphasized the dangers first responders face daily, reiterating that violence against those who protect the city was unacceptable.

## 2. City Attorney

City Attorney Tamilarasan provided an update on ongoing litigation. The court denied the city's motion for judgment on the pleadings in the Taglia case, determining that a factual dispute remained regarding whether the incident occurred in a parking lot or public roadway. The case remains pending.

### I. COUNCIL COMMENT:

Councilmember McGregor reflected on the Memorial Day service, acknowledging the significant number of veterans honored at St. Joseph's Cemetery and commending the Gahanna Veterans Plaza, which originated from a 1993 citizen request by George Kneeland. She expressed her gratitude to the Veterans Committee for holding a wonderful event.

Councilmember Renner thanked the United Club for their courage and advocacy, shared his participation in the BAPS Charities walkathon, and encouraged community engagement and connection over the summer. He urged fellow residents to continue to look after each other. He also noted he would likely be absent from the next regular meeting due to upcoming shoulder surgery.

Councilmember Padova thanked the students, parents, and school board member Dion Manley for attending and supporting inclusivity in the community. She wished everyone a Happy Pride Month.

Councilmember Schnetzer also shared his appreciation for the Memorial Day ceremony, which he attended with his children to teach them the importance of sacrifice and freedom.

Vice President Weaver echoed his colleagues' comments on the Memorial Day ceremony, noting particularly the importance of remembering the sacrifices made and to protect against what may come. On the topic of

summer and neighborhood events, he also advised residents to drive carefully through neighborhoods with many children out and about. Reflecting on Ms. Mishler and Ms. Passa's comments, he also expressed gratitude to the Parks and Recreation staff for their assistance with school events. He extended special thanks to the United Club, Oneita Bryson and Matt Miller, and their advisors for fostering safe spaces for students. On a personal note, he announced the birth of his son, Otto, and shared his excitement to raise his child in the community where he grew up.

President Bowers thanked the United Club for attending the meeting and for speaking to the impact of resolutions, while also calling upon Council to lean into inclusivity, greater understanding, and advocacy for the most vulnerable members of the community, who too often became the targets of bullying by fully grown adults, many of whom held positions that should have focused on protecting the community. President Bowers expressed hope that this act would serve as a small symbol showing that many stood with the United Club and would resist intrusions into privacy and individuality, which were unwarranted and failed to demonstrate dignity to all members of the community. President Bowers then announced a ribbon cutting for the mountain bike trail at Academy Park on June 6, 2025 at 4:00 p.m. On June 7, 2025, President Bowers and her neighborhood planned to host a community meetup at the pocket park in Rathurn Woods, featuring the Joy Local Coffee Truck. Community members were invited to join from 8:00 a.m. to 10:00 a.m. to meet and engage in conversation. She also reminded colleagues of the Pride celebration scheduled for June 26, 2025 at Headley Park. Discussions were ongoing regarding the number of tables the city would need for the event. President Bowers encouraged everyone to mark their calendars for this endearing event, which demonstrated how inclusive Gahanna is. President Bowers acknowledged Mr. Renner for mentioning the walkathon and shared that she had participated in the Columbus 10K the previous day, which raised \$11,000 for the Mid-Ohio Food Collective. She congratulated the Columbus Running Club for organizing another successful event, which took place in perfect running weather. Turning to a more somber matter, President Bowers expressed gratitude to Mayor Jadwin for addressing the recent incident involving the injury of two Mifflin Township police officers in the line of duty. She voiced concern that the suspect had been able to remain within civil society and hoped the situation would prompt discussions and further analysis to prevent similar tragedies. She extended gratitude to the Franklin County Sheriff's Office and the U.S. Marshals for taking the suspect into custody alive. President Bowers offered condolences to the family and community in Morrow County, noting that colleagues of her husband had been on the scene, making the incident feel especially close to home. President Bowers thanked the Veterans Memorial Committee for organizing a beautiful Memorial Day event. The keynote speaker had shared incredible stories of heroism and concluded with a call to peace, which President Bowers felt set the appropriate tone for the times. She gave special recognition to her husband, who was celebrating 25 years of service with Delaware County EMS. She acknowledged the difficulty and bravery involved in the work of first responders, emphasizing her appreciation for all who serve

on the front lines, whether as first responders, teachers, or in other critical roles.
