**BID GUARANTY AND CONTRACT BOND**  
**(O.R.C § 153.571)**

Know all persons by these presents, that we, the undersigned Strawser Paving Co., Inc.  
(Contractor) as principal and Fidelity and Deposit Company of Maryland as surety are hereby  
held and firmly bound unto the City of Gahanna, as obligee in the penal sum of the dollar amount of the  
bid submitted by the principal to the obligee on March 20th, 2021, to undertake the  
2020 Residential Street Program, ST-1070 (Project).

The penal sum referred to herein shall be the dollar amount of the principal's bid to the obligee,  
incorporating any additive or deductive alternates made by the principal on the date referred to above to  
the obligee, which are accepted by the obligee. In no case shall the penal sum exceed the amount of  
\_\_\_\_\_ dollars (\$\_\_\_\_\_).

(If the foregoing blank is not filled in, the penal sum will be the full amount of the principal's bid,  
including add alternates. Alternatively, if the blank is filled in the amount stated must not be less than the  
full amount of the bid including add alternates, in dollars and cents. A percentage is not acceptable.) For  
the payment of the penal sum well and truly to be made, we hereby jointly and severally bind ourselves,  
our heirs, executors, administrators, successors, and assigns.

Signed this 20th day of March, 2021.

The condition of the above obligations is such that whereas the above named principal has submitted a  
bid for work on the Contract.

Now, therefore, if the obligee accepts the bid of the principal and the principal fails to enter into a proper  
contract in accordance with the bid, plans, details, specifications and bills of material; and in the event the  
principal pays to the obligee the difference not to exceed ten percent (10%) of the penalty hereof  
between the amount specified in the bid and such larger amount for which the obligee may in good faith  
contract with the next lowest bidder to perform the work covered by the bid; or in the event the obligee  
does not award the contract to the next lowest bidder and resubmits the contract for bidding, the  
principal pays to the obligee the difference not-to-exceed ten percent (10%) of the penalty hereof  
between the amount specified in the bid, or the costs, in connection with the resubmission, of printing  
new contract documents, required advertising, and printing and mailing notices to prospective bidders,  
whichever is less, then this obligation shall be null and void, otherwise to remain in full force and effect; if  
the obligee accepts the bid of the principal and the principal within ten (10) days after the awarding of the  
contract enters into a proper contract in accordance with the bid, plans, details, specifications and bills of  
material, which said contract is made a part of this bond the same as though set forth herein.

Now also, if the said principal shall well and faithfully do and perform the things agreed by said principal  
to be done and performed according to the terms of said contract; and shall pay all lawful claims of  
subcontractors, materialmen, and laborers, for labor performed and materials furnished in the carrying  
forward, performing, or completing of said contract; we agreeing and assenting that this undertaking shall  
be for the benefit of any materialman or laborer having a just claim, as well as for the obligee herein; then  
this obligation shall be void; otherwise the same shall remain in full force and effect; and surety shall  
indemnify the obligee against all damage suffered by failure of the principal to perform the contract  
according to its provisions and in accordance with the plans, details, specifications and bills of material  
therefor and to pay all lawful claims of subcontractors, materialmen, and laborers for labor performed or  
material furnished in carrying forward, performing, or completing the contract and surety further agrees  
and assents that this undertaking is for the benefit of any subcontractor, materialman, or laborer having a

just claim, as well as for the obligee; it being expressly understood and agreed that the liability of the surety for any and all claims hereunder shall in no event exceed the penal amount of this obligation as herein stated.

The said surety hereby stipulates and agrees that no modifications, omissions, or additions in or to the terms of the said contract or in or to the plans or specifications therefore shall in any wise affect the obligations of said surety on its bond, and does hereby waive notice of any such modifications, omissions or additions to the terms of the contract or to the work or to the specifications.
