Re: Department of Engineering Report to Council (October 24, 2022 COTW Meeting)

ACTION ITEM

ACTION ITEM NO 1: WYNNE RIDGE COURT BRIDGE REPLACEMENT – AWARD OF CONTRACT

The City of Gahanna issued and received request for qualifications (RFQ) for professional engineering design services for the replacement of the Wynne Ridge Court Bridge. The bridge was identified as a failing structure in the 2021 Ohio Bridge Inspection Summary Report. This report noted large spalls, heaving scaling and wide cracks in the culvert. The southeast wingwall has rotated, causing the erosion and loss of retained fill at the gap between the southeast wingwall and the upstream headwall. The condition of the southeast wingwall has worsened in 2022. The slope has been stabilized until the bridge replacement can be completed. The intent of this design plan is to fully replace the bridge in kind, match existing typical section, and provide width to accommodate future sidewalk.

The Engineering Department received three responses to its RFQ solicitation. American Structurepoint was selected as the best qualified. Technical proposal, scope and fee negotiations resulted in \$384,046 for the associated professional design services. Consistent with established and best practice, the Department also requests a 10 percent design contingency, bringing the total project amount to \$422,450. The Administration is requesting legislation authorizing the Mayor to enter into contract with American Structurepoint for professional services related to the Wynne Ridge Court Bridge Replacement (PID 116417).

Legislation Needed: Ordinance

Emergency/Waiver: None

Vendor Name: American Structurepoint, Inc.

Vendor Address: 2550 Corporate Exchange Drive, Suite 300, Columbus, OH, 43231

Already Appropriated (Amounts & Accounts): \$422,450 from 325.06.550.5500

Supplemental/Transfer (Amounts & Accounts): N/A

Attachment:

Proposal for Professional Services and Agreement for FRA-Wynne Ridge Court Replacement (PID 116417)
