- a. [ORD-0012-2021](#) AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO CONTRACT WITH MIDSTATES RECREATION FOR PURCHASE AND INSTALLATION OF PLAYGROUND EQUIPMENT AT WOODSIDE GREEN PARK, AND DECLARING IT AN EMERGENCY.

Bowers stated that it was discussed at committee of the whole; this is an emergency to get the order in and so that installation can occur this season; wants constituents to understand that is the basis for emergency. Jadwin confirmed. Leeseberg stated as the Parks Director pointed out, you can't order something until the budget is set; we need to hit construction season and get quotes in time; we have some equipment available for a reasonable price and need to act on that. Schnetzer said we touched on this during committee but some may recall that in 2018 the level of appropriations the city could afford for playground replacement would have put us around a 45 year life cycle; which is nearly 3x the expected useful life of a playground, due to weather, and wear and tear; thanks to Issue 12, we are replacing not one but two playgrounds this budget cycle with a once in 100 year pandemic; that is a testament to the mechanism and how those dollars are working; it is something that is important for all of us but especially residents to recognize.

A motion was made by Schnetzer, seconded by Renner, that the Ordinance be Adopted as an Emergency. The motion carried by the following vote:

I. ORDINANCES FOR SECOND READING / ADOPTION:

- a. [ORD-0009-2021](#) AN ORDINANCE ADOPTING THE REVISED INVESTMENT POLICY FOR THE CITY OF GAHANNA.

Larick said he wanted to thank Council for reviewing the investment policy; for Bury for putting this language together; the first cycle of this occurred in 2012-2013; had been the first time the policy had been looked at in several decades; would review this on a periodic basis to ensure that it is still relevant with the times.

A motion was made by Schnetzer, seconded by McGregor, that the Ordinance be Adopted. The motion carried by the following vote:

- b. [ORD-0010-2021](#) AN ORDINANCE ADOPTING THE REVISED EMERGENCY RESERVE POLICY FOR THE CITY OF GAHANNA.

Schnetzer thanked Mayor and staff, especially Bury for putting this together; this is hopefully one of those boring administrative things that just gets done, that 99% of the time the public is not even aware that it exists; this is important and sets us up to maintain a high credit rating so that the city can borrow at a favorable cost of debt when needed; can help fund bigger infrastructure projects.

A motion was made by Schnetzer, seconded by Leeseberg, that the Ordinance be Adopted. The motion carried by the following vote:
