**B. ADDITIONS OR CORRECTIONS TO THE AGENDA: none.**

**C. HEARING OF VISITORS.**

Brenda Hoffman, 279 Highmeadow Drive: wanted everyone to know that despite a tenuous battle with Strawser Paving, the curb that was not ADA compliant was ripped out this week; the form was wrong again, and so the Administration was contacted; a member of the Service Department came out to inspect and confirmed that it was wrong and it will be corrected; wanted to commend and acknowledge when due.

John Petrick, 712 Fleetrun Avenue: has complaints about parking on the streets; the fire trucks can't make it through; there's room in driveways to park; have contacted the Police with complaints; the street has never been able to be swept completely or have snow removed completely due to people parking on the streets; there are leaves on the street from last fall; people should have to park in the driveway if there is space; frustrated that taxes are paid for sweeping and removal services and yet

the services cannot be completed; is very narrow when driving through; suggests having a person to go around and watch for this type of thing; the street is not a parking lot.
