

**Participation Agreement For The
Deployment of Telecommunications Facilities
(A Sub-Set of ITS Phase II Improvement # 744)**

Whereas, the public interest demands the deployment of optical telecommunications infrastructure; and

Whereas, the City of Gahanna has plans to deploy fiber optic telecommunications as a part of the expansion of its Intelligent Transportation System; and

Whereas, the City of Gahanna through its mayor and city council, and Mifflin Township through its Board of Trustees do mutually intend to cooperate in the planning, design and construction and to share the cost and expense of the improvements as follows:

The City of Gahanna will:

Contract with EMH&T for Engineering Design, Bidding, and Inspection
Be contractual agent for project financial oversight
Be responsible for 100 % of the construction cost with the following exceptions and independent contributions:

Mifflin Township will:

Appropriate funds not to exceed \$47,633 (forty-seven thousand six hundred and thirty-three dollars) payable to the City of Gahanna for the following items:

Splicing Cabinet, proportional cost of Mifflin Cemetery Site, Mifflin Fire Station Sites, 1/12 Fiber Cost, and proportional cost of Inspection Services.

That the Mifflin Township Board of Trustees hereby authorizes Gahanna to act as its agent for the deployment of telecommunications infrastructure and facilities as a part of Improvement # 744.
