#### ACTION ITEMS

##### ACTION ITEM #1: REQUEST FOR SUPPLEMENTAL APPROPRIATIONS

A former City of Gahanna employee filed a lawsuit against the City. The claim is covered under the City's general liability insurance. The City has entered into a settlement agreement with the former employee. Because part of the settlement agreement is for back wages, the City must process payment for the settlement and then the City's insurance carrier will reimburse. Because the lawsuit was settled after the 2023 appropriations were passed, the amount required was not included within the 2023 appropriations. The Administration respectfully requests an ordinance for supplemental appropriations from the unappropriated unencumbered balance of the General Fund in the amount of \$70,000, as outlined below.
