

**CITY OF GAHANNA, OHIO
REQUEST FOR COUNCIL ACTION**

Subject and Purpose: (900 characters Max)

The Department of Information Technology is requesting a contract renewal for 36 months with AT&T. This contract allows for use of our ISDN Prime (ISDN PRI) service, Local Usage, DS1 Distribution Channels, and 500 City Phone Numbers (phone numbers 342-4000 through 342-4499).

Please note that this service is no longer in contract though the City is still being charged at the reduced pricing term rate. As such, the Department of Information Technology respectfully requests council to consider either a waiver OR emergency action to avoid any additional fees due to the aforementioned services currently being out of contract and subject to significant rate increases with AT&T.
