[ORD-0090-2016](#) TO REZONE 2.0+/- ACRES OF PROPERTY AS TWO FAMILY RESIDENTIAL (MR-1); SAID PROPERTY LOCATED AT 870 E. JOHNSTOWN ROAD; PARCEL ID NO: 025-001984, 025-001954, AND A PORTION OF 025-003185; CURRENT ZONING A COMBINATION OF ESTATE RESIDENTIAL (ER-2) AND LIMITED-OVERLAY SUBURBAN OFFICE (L-SO); BROOKWOOD CONSTRUCTION/DAVID HODGE, APPLICANT.

Schnetzer said he has concerns about zoning; Suburban Office (SO) and shows single family; learned precarious financial situation; place highest value on SO and secondary on single; benefits to types of employers and retail; single rezoning impacts future zoning; the next one shows this is an example that this zoning change may change in a ripple effect; what good is land use plan if we don't use it; while some projects may make sense; has issues with deviating from plan; traffic congestion.

Leeseberg asked last week about partial rezoning; zoning does not impact the remainder of the property; Jones said that is correct; this property is in the North Triangle.

A motion was made by Metzbower, seconded by Leeseberg, that the Ordinance be Adopted. The motion carried by the following vote:

Schnetzer indicated that confirmed concerns with what he already said; this could include office space and all other comments apply; high visibility area; this is not a good investment.

McGregor said she has same concerns that Schnetzer has; properties would be joined together as one parcel if it cannot be separated and seemed confusing.
