**ACTION ITEM #1: HEIL DRIVE BRIDGE REPLACEMENT ST-1047 – AWARD CONTRACT**

The bridge that carries Heil Drive over Sycamore Run is currently rated in poor condition and is in need of replacement. On June 20, 2019 bids were opened and reviewed. The apparent low bidder, Sunesis Construction had a non-responsive bid. We're recommending to go with the second lowest responsive and responsible bidder, Complete General Construction with a bid price of \$635,820.30 to perform the work which was below the Engineer's Estimate of \$636,583.14. We are requesting a 10% contingency to cover any unforeseen construction costs. Gahanna will receive up to a maximum of \$463,179 of Federal funds through the Municipal Bridge Program in State Fiscal Year (SFY) 2019 for this project. Gahanna will be responsible for the remaining balance.

We are respectfully requesting to award this contract to Complete General Construction with waiver of second (2<sup>nd</sup>) reading to adhere to ODOT's schedule to receive Federal Funding. This is also a Construction Contract which waives the 30 day referendum.
