

Eas. _____

Easement & Right of Way

The City of Gahanna, a Municipal Corporation, "Grantor", in consideration of \$1.00, the easement terms, and other good and valuable consideration from Ohio Power Company an Ohio corporation and a unit of American Electric Power, 850 Tech Center Drive, Gahanna, OH 43230-6605, "Grantee", the receipt and sufficiency of which is acknowledged, grants and conveys with general warranty covenants to Grantee its successors, assigns, lessees, licensees and tenants, a right of way and easement, "Easement" for electric and other current/future energy or communication purposes underground, in, on, through and across the following described lands situated in the city of Gahanna, Franklin County, Ohio, and being located in section 3, Township 1, Range 16, Lot No.22, United States Military Lands and being 3.742 acres tract of land as described in Official Records instrument 1979907030017896, Franklin County Recorder's Office (Parcel #026-190711-00).

The easement shall be ten (10) foot wide strip of land, lying five (5) feet on each side of the facilities as constructed. The approximate location of said easement is depicted on Exhibit A, attached hereto and incorporated herein.

This Easement conveys all necessary and convenient rights for the Easement's use, including, without limitation, the rights to: construct, operate, maintain, inspect, protect, repair, replace, enlarge, upgrade, extend or remove utility facilities and relocate within the Easement, all necessary and convenient facilities which include but are not limited to: conductors, conduits, enclosures, grounding systems, foundations, manholes, and associated equipment, adding thereto from time to time; perform grading or filling for such facilities; cut, trim, remove and/or otherwise control, with herbicides or by other means, at Grantee's option (without any liability to Grantor), any trees, limbs or branches, brush, shrubs, undergrowth, of whatever size, buildings, structures, pavement, or other obstructions that in Grantee's reasonable judgment endanger or interfere with the safety or use of its facilities, both within and adjoining the Easement. Within the Easement, Grantor shall not: place any structures, piles or debris, change the level of the ground by excavation or mounding without Grantee's written consent, allow any construction that would be inconsistent with the National Electric Safety Code or Grantee's design standards, nor permit or cause any excavation, except for other utilities, provided such utilities rights do not conflict with this Easement. This Easement also conveys the right of ingress and egress in and over any reasonable routes at all times. If any governmental authority requires Grantee to relocate the facilities contemplated by this

grant, this Easement conveys the right to relocate such facilities to a comparable location of Grantee's choosing, without the need for a new easement.

Grantor may use its property for all purposes not inconsistent with the full enjoyment of the Easement, but Grantor acknowledges high voltage electric lines will be constructed within the Easement and Grantor shall use its property in a manner consistent with all applicable safety rules and regulations for working near electric lines. Safety/required clearance issues may be referred to Grantee's Engineering Group. Grantee shall restore the premises or pay reasonable damages done to fences, drains, seeded lawns (not landscaping), gates, ditches and crops caused by Grantee's use of the Easement. Grantor has authority to grant this Easement. No delay or omission by Grantee in exercising any right hereunder shall operate as a waiver or forfeiture of such right. This Easement grant is effective and binding upon the parties, their successors, assigns, lessees, licensees, heirs and legal representatives, and if any term hereunder is held invalid, the remainder shall not be affected thereby.
