Mr. Karl C. Wetherholt, P.E.  
City Engineer  
City of Gahanna  
200 South Hamilton Road  
Gahanna, Ohio 43230

**RE: Engineering Proposal  
Johnstown Road Reconstruction**

Dear Mr. Wetherholt:

As requested, submitted herewith is Clyde E. Williams and Associates' revised proposal to provide engineering services for the design and preparation of construction plans for the reconstruction of Johnstown Road from Stygler Road to Ridenour Road.

The total cost of engineering services as outlined in the Scope of Service will be a lump sum of \$88,900. If traffic signals are warranted at the Ridenour and Stygler intersections, the additional cost for designing and preparing plans for these two signals will be \$11,200.

We are prepared to begin design upon authorization by the city and will complete the preparation of plans and contract documents within 11 months after authorization to proceed.

We appreciate the opportunity to submit this proposal. Should you have any questions or need additional information, please call me.

Sincerely,

CLYDE E. WILLIAMS & ASSOCIATES, INC.  
Professional Engineers
