Re: Additional Services

Dear Mr. Wetherholt:

March 4, 2003, R.D. Zande & Associates, Inc submitted a contract for the acquisition for additional right of way need for the Hamilton Road project. This agreement was signed by the City of Gahanna on March 24, 2003.

Due to changes on the Hamilton Road right of way additional work is necessary to complete the project. Eight (8) additional parcels of right of way are necessary, along with fourteen (14) titles, closings and recordings. Also due to changes in the plan forty-two (42) appraisals will need to be revised and the eight (8) new parcels will need appraisal. Our fee for this work will not exceed twenty-five thousand dollars (\$25,000.00).

Should you have any questions, please contact Joseph J. Gatto, who is the project manager for this project.

Very truly yours,

R.D. ZANDE & ASSOCIATES, INC.
