Table with 2 main sections: Grantee and Project Contact. Grantee section includes fields for Grantee, Project Site Address, City, Project Local Jurisdiction, Project County, and Grant Funds. Project Contact section includes fields for Grantee Contact, Address, City, E-Mail, and Phone Number.

This Grant Agreement (the "Agreement") is made and entered into by and between the State of Ohio, Department of Development ("Grantor") and Grantee to set forth the terms and conditions upon which Grantor will provide financial assistance to Grantee and Grantee will use the financial assistance for costs associated with public roadwork improvements at the Project Site listed above (the "Project"). This Agreement incorporates by reference the "Scope of Work," which is attached as Exhibit I.

1. Project Funding.

(a) State Grant. Grantor hereby grants to Grantee funds in the aggregate amount of Grant Funds listed in the table above (the "Grant Funds") to be used for the sole and express purpose of undertaking and completing the Project. Grantee shall undertake and complete the Project substantially as described in Exhibit I. Grantee may not use the Grant Funds for any purpose other than completion of the Project.

(b) Availability of Other Funds. It is a condition to the award of Grant Funds that Grantee provides additional funds from other sources to pay Project costs in excess of the Grant Funds. Grantee represents and warrants to Grantor that Grantee has obtained such additional funds or that Grantee has a binding commitment for such additional funds and, with the exercise of reasonable diligence, will have obtained such additional funds no later than the time such funds will be required to pay Project costs as and when such costs are incurred and payable. No Grant Funds will be disbursed to reimburse Project costs unless and until Grantee obtains the additional funds necessary to pay the balance of the Project costs.

(c) Budget Reductions. Grantee acknowledges that Grantor is subject to State of Ohio budgetary constraints that could result in the reduction of the amount Grant Funds provided under this Agreement. Should Grantor's funding levels be reduced, Grantor shall notify Grantee in writing of the extent of any reduction to the Grant Funds and reduce Grantee's commitments in a manner corresponding to the reduction of Grant Funds and such notice shall result in the Agreement being amended without further action by the parties. Grantee hereby irrevocably authorizes Grantor to reduce the amount of Grant Funds provided under this Agreement upon written notice to Grantee provided there is a corresponding reduction in commitments outlined on page 1 of this Agreement.

(d) Subsequent Increase. In cases where there is a reduction of Grant Funds and Grantor provides the written notice in accordance with Section 1(c) above, but subsequently additional funds become available to Grantor to increase the amount of Grant Funds to be provided to Grantee, Grantor shall notify Grantee in writing, but any such increase shall require mutual agreement of the parties which shall be reflected in an Amendment signed in accordance with Section 14(e) of this Agreement.

2. Payment of Grant Funds. Grantor shall disburse the Grant Funds on a reimbursement basis. Grantee shall submit to Grantor for review and approval requests for reimbursement detailing expenditures which have then been incurred by Grantee in accordance with the Project budget included in Exhibit I. The payment of the requests for reimbursement shall be based upon 60% reimbursement of the actual eligible Project costs. Travel expenses will not be costs eligible for reimbursement with Grant Funds. Grantor shall be the sole judge of the adequacy of reimbursement requests. All expenses to be reimbursed with Grant Funds shall be supported by contracts, invoices, vouchers, paid receipts and other documentation as appropriate to evidence the costs incurred by Grantee to perform the work described in Exhibit I. Grantee shall submit to Grantor such documentation necessary to substantiate a reimbursement request.

3. Grant Funds Not Expended. If the Grant Funds are not expended by Grantee in accordance with the terms and conditions of this Agreement or within the time period set forth in this Agreement, the award of the Grant Funds shall cease and Grantor shall have no further obligation to disburse the Grant Funds. Grantor shall also have no obligation to disburse any amount of the Grant Funds that exceeds the eligible costs of the Project actually incurred by Grantee. If Grant Funds have been paid to Grantee and Grantor determines that Grantee has not performed in accordance with the terms and conditions of this Agreement, Grantee shall return such improperly expended Grant Funds within 30 days after demand by Grantor. In the event that Grantee does not submit any requests for reimbursement by the End Date (as such date may be extended as provided in Section 4) and/or the Project is affirmatively abandoned by Grantee, this Agreement shall be null and void without any further action by the parties and neither party shall have any obligation under this Agreement.

4. Agreement Deadlines and Term.

(a) Project Completion. Grantee shall complete the Project not later than the End Date set forth on the first page of this Agreement. If Grantee anticipates that the Project will not be completed by the End Date, Grantee must request an extension of time to complete the Project at least 60 days before the scheduled End Date. It will be within the sole discretion of Grantor to grant or deny such extension of time.

(b) Term of Agreement. This Agreement shall be in effect from the Effective Date set forth on the first page of this Agreement through the End Date set forth on the first page of this Agreement unless it is terminated earlier as provided in Section 10 (collectively, the "Term").

5. Secondary Goal of the Project. The primary focus of the grant is to complete an eligible roadwork project. In addition, one of the secondary goals is the creation or retention of jobs as a result of the grant. As a result of the Project, it is estimated that 24 new, full-time-equivalent jobs will be created and 202 existing jobs will be retained by the Metric Evaluation Date. Grantee is required to report any job creation or retention in the reports required under Section 7 of this Agreement, however, job creation will not be used to determine compliance under this Agreement.

6. Non-Discrimination.

(a) Minority Hiring Goal. Grantee shall make a good faith effort to employ minority persons in the completion and operation of the Project and in the fulfillment of Grantee's job creation obligations in the same percentage as the average percentage of minority persons who reside in the county in which the Project is located and any contiguous Ohio counties.

(b) Equal Employment Opportunity. Grantee shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, disability, age, military status or ancestry. Grantee shall ensure that applicants for employment are considered for employment, and that employees are treated during employment, without regard to their race, religion, color, sex, national origin, disability, age, military status or ancestry. Grantee will incorporate the requirements of this paragraph in all of its contracts for any of the work undertaken on the Project (other than subcontracts for standard commercial supplies or raw materials), and Grantee will require all of its contractors for any part of such work to incorporate such requirements in all subcontracts for such work.

## 7. Reporting.

(a) Performance Reports. Grantee shall submit to Grantor an Annual Report in the format required by Grantor (the “**Annual Report**”). Each Annual Report shall provide information for the applicable reporting period, including but not limited to, information detailing the progress of the Project, if required, the number of employees first hired by the company or companies benefiting at the Project Site on or after the Effective Date, the number of employees first employed at the Project Site prior to the Effective Date and retained at the Project Site on or after the Effective Date, the corresponding payroll information for the employees at the Project Site and the Investment to date. Annual Reports shall be submitted by Grantee for each year (or part of a year) during which this Agreement is in effect and each Annual Report shall be received by Grantor no later than March 1, following the year covered by such Annual Report. In addition, Grantee shall provide to Grantor such additional information and reports as Grantor may reasonably from time to time require to evaluate Grantee’s performance and the effectiveness of the award.

(b) Closeout Report. Within 60 days after the Project is completed, whether on or before the End Date, Grantee shall provide the Grantor with a Closeout Report (the “**Closeout Report**”) in the form prescribed by the Grantor, which shall include (i) the amount of Grant Funds used for the Project; (ii) the amount of Grant Funds being returned; (iii) the number of jobs created/retained as a result of the Project; (iv) a summary of the impact the Grant Funds had on the operations of Grantee and/or other business operations nearby; and (ix) any additional information the Grantor may request.

(c) Signature and Costs. The chief executive officer, chief financial officer, or other officer of Grantee authorized to sign tax returns on behalf of Grantee shall certify by his or her signature of each Annual Report or Closeout Report that the information reported by Grantee is true, complete and correct. All costs incurred by Grantee to comply with the reporting requirements of this Agreement shall be borne by Grantee and shall not be an allowable expense reimbursable from Grant Funds.

(d) Remedy. Performance reports are essential for Grantor’s effective administration of this grant and its financial incentive programs, generally. If Grantee fails to submit any Annual Report and such breach continues uncured for more than 30 days, Grantor may recover, and Grantee shall pay, as liquidated damages for the breach, an amount equal to \$500 for each month or part of a month the Annual Report is past due.

## 8. Records Maintenance and Access.

(a) Maintenance of Records. Grantee shall establish and maintain for at least three (3) years after the End Date or any earlier termination date its records regarding this Agreement, the Grant Funds and the Project, including, but not limited to, financial reports, job creation and retention statistics, and all other information pertaining to Grantee’s performance of its obligations under this Agreement. If any audit, dispute or litigation is then pending, however, Grantee shall maintain such records as may be relevant to such matter until it is finally resolved.

(b) Inspection and Copying. At any time during normal business hours and upon not less than 24 hours prior written notice, Grantee shall make available to Grantor, its agents or other appropriate State agencies or officials all books and records regarding this Agreement, the Grant Funds and the Project which are in the possession or control of Grantee, including, but not limited to, records evidencing employment at the Project Site. Grantor, its agents and other appropriate State agencies and officials may review, audit and make copies of such books and records, and any such inspection of books and records will be undertaken in such a manner as not to interfere unreasonably with the normal business operations of Grantee. Grantee shall, at its own cost and expense, segregate records to be made available for inspection pursuant to this Section 8(b) from Grantee’s other records of operation.

## 9. Adherence to State and Federal Laws and Regulations.

(a) General. Grantee shall comply with all applicable federal, state, and local laws in the performance of Grantee’s obligations under this Agreement, the completion of the Project and the operation of the Project as long as Grantee has any obligation to Grantor under this Agreement. Without limiting the generality of such obligation, Grantee shall pay or cause to be paid all unemployment compensation, insurance premiums, workers’ compensation premiums, income tax withholding, social security withhold, and any and all other taxes or payroll deductions required for all employees engaged by Grantee in connection with the Project, and Grantee shall comply with all applicable environmental, zoning, planning and building laws and regulations.

(b) Ethics. In accordance with Executive Order 2019-11D, Grantee, by its signature on this document, certifies: (1) it has reviewed and understands Executive Order 2019-11D, (2) has reviewed and understands the Ohio ethics and conflict of interest laws including, without limitation, Ohio Revised Code §§ 102.01 *et seq.*, §§ 2921.01, 2921.42, 2921.421 and 2921.43, and §§ 3517.13(I) and (J), and (3) will take no action inconsistent with those laws and the order, as any of them may be amended or supplemented from time to time. Grantee understands that failure to comply with the Ohio ethics and conflict of interest laws, is in itself, grounds for termination of this Agreement and the grant of funds made pursuant to this Agreement and may result in the loss of other contracts or grants with the State of Ohio.

(c) Conflict of Interest. No personnel of Grantee, contractor of Grantee or personnel of any such contractor, and no public official who exercises any functions or responsibilities in connection with the review or approval of any work completed under this Agreement, shall, prior to the completion of such work, voluntarily or involuntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge or fulfillment of his or her functions or responsibilities with respect to the completion of the work contemplated under this Agreement. Grantee shall immediately disclose in writing to Grantor any such person who, prior to or after the execution of this Agreement, acquires any personal interest, voluntarily or involuntarily. Grantee shall cause any such person who, prior to or after the execution of this Agreement, acquires any personal interest, voluntarily or involuntarily, to immediately disclose such interest to Grantor in writing. Thereafter, such person shall not participate in any action affecting the work under this Agreement unless Grantor determines that, in light of the personal interest disclosed, his or her participation in any such action would not be contrary to the public interest.

(d) Outstanding Liabilities. Grantee represents and warrants to Grantor that Grantee does not owe: (1) any delinquent taxes to the State of Ohio or a political subdivision of the State of Ohio; (2) any moneys to the State of Ohio or a state agency for the administration or enforcement of any environmental laws of the State of Ohio; and (3) any other moneys to the State of Ohio, a state agency or a political subdivision of the State of Ohio that are past due, whether or not the amounts owed are being contested in a court of law.

(e) Falsification of Information. Grantee represents and warrants to Grantor that Grantee has made no false statements to Grantor or any of its employees or agents in the process of obtaining the award of Grant Funds. Grantee acknowledges that any person who knowingly makes a false statement to obtain an award of financial assistance may be required under Ohio Revised Code § 9.66(C) to repay such financial assistance and shall be ineligible for any future economic development assistance from the State of Ohio, any state agency or a political subdivision. In addition, any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code § 2921.13(F)(1).

(f) Prevailing Wage. Construction of public improvements with public funds may be subject to the prevailing wage requirements of Ohio Revised Code Chapter 4115. Construction projects undertaken with financial assistance provided by the State of Ohio under certain provisions of the Ohio Revised Code are also subject to the prevailing wage requirements of Ohio Revised Code Chapter 4115. If applicable, Grantee shall comply, and shall cause its contractors and subcontractors to comply, with all prevailing wage requirements. Grantee shall designate or cause to be designated an individual who shall perform the duties and responsibilities required by law of a prevailing wage coordinator for the Project.

(g) Public Records. Grantee acknowledges that this Agreement and other records in the possession or control of Grantor regarding the Project are public records under Ohio Revised Code § 149.43 and are open to public inspection unless a legal exemption applies.

## **10. Default and Remedies**

(a) Default. Grantee shall be in default of this Agreement if Grantee fails to perform any of its obligations under this Agreement and such failure to perform continues uncured for more than 30 days after written notice (a “**Default Notice**”) from Grantor. During the thirty-day cure period, Grantee shall incur only those obligations or expenditures pre-approved by Grantor that are necessary to enable Grantee to continue its operations and achieve compliance with the terms and conditions of this Agreement. Grantee shall also be in default of this Agreement if Grantee is in default of any other agreement between Grantor and/or the Director of Grantor and Grantee and such default continues beyond any applicable period of cure or grace.

- (b) Remedies. Following a default by Grantee, Grantor may exercise one or more of the following remedies:
- (i) Discontinue Disbursements. If the Grant Funds have not been fully disbursed, Grantor may terminate any and all of Grantor's obligations under this Agreement, including the obligation to make further disbursements of Grant Funds.
  - (ii) Demand Repayment of Grant Funds. If Grantee fails to complete the roadwork portion of the Project as required under Section 4(a) and detailed in Exhibit I, Scope of Work, Grantor may demand repayment of Grant Funds. Grantee shall not be required to refund Grant Funds or pay liquidated damages in an amount that exceeds the Grant Funds awarded.
  - (iii) Other Legal Remedies. Pursue any other legal or equitable remedies Grantor may have under this Agreement or applicable law.
- (c) Remedies Cumulative. No remedy provided to Grantor under this agreement or otherwise by law or in equity is exclusive of any other available remedy. No delay or omission by Grantor in exercising any right or power accruing upon any default shall impair any such right or power or be construed as a waiver, and each such right or power may be exercised from time to time as often as may be deemed by Grantor to be expedient.
- (d) Early Termination. Grantor may also terminate this Agreement if Grantee (i) defaults under another Agreement between the Grantor and/or the Tax Credit Authority and Grantee, (ii) admits its inability to pay its debts as such debts become due, (iii) commences a voluntary bankruptcy, (iv) an involuntary bankruptcy action occurs against Grantee which remains undismissed or unstayed for 60 days, (v) fails to meet the minimum funding requirements under the Employee Retirement Income Security Act or other such employee benefits plan, or (vi) has ceased operations at the Project location under the reasonable belief of Grantor. The events permitting early termination by Grantor shall be considered a default by Grantee and subject to the remedies available under paragraph (b) of this Section 10.
- (e) Effects of Termination. Within 60 days after termination of this Agreement following any default, Grantee shall provide Grantor with a final report setting forth the number of full-time jobs created and/or retained by Grantee from the Effective Date through the termination, the total expenditure of the Grant Funds by Grantee and the status of the Project at the time of termination. The final report shall be signed and certified in the same manner as the reports required by Section 7 of this Agreement. This reporting obligation shall survive the termination of the Agreement.
- (f) Grantor's Expenses. Grantee shall reimburse Grantor for all expenses, including, without limitation, reasonable attorneys' fees, in connection with the enforcement of this Agreement.

**11. Liability**. Grantee shall maintain liability and property insurance to cover actionable legal claims for liability or loss which are the result of injury to or death of any person, damage to property (including property of Grantor) caused by the negligent acts or omissions, or negligent conduct of the Grantee, to the extent permitted by law, in connection with the activities of this Agreement. Furthermore, each party to this Agreement agrees to be liable for the negligent acts or negligent omissions by or through itself, its employees, agents and subcontractors. Each party further agrees to defend itself and themselves and pay any judgments and costs arising out of such negligent acts or omissions, and nothing in this Agreement shall impute or transfer any such liability from one to the other.

**12. Certification of Funds**. None of the rights, duties and obligations of the parties under this Agreement shall be binding on either party until all statutory provisions of the Ohio Revised Code including, without limitation, Section 126.07, have been complied with, and until such time as all funds have been made available and are forthcoming from the appropriate state agencies.

13. **Notice.** Any notice or report required or permitted to be given under this Agreement shall be deemed to have been sufficiently given for all purposes if mailed by first class certified or registered mail or sent by commercial delivery to the following addresses of the parties or to such other address as either party may hereafter furnish by written notice to the other party.

### Scope of Work

#### City of Gahanna

On January 10, 2022, the State Controlling Board approved the Ohio Department of Development's (Development) request to release \$280,000.00 from fund 4W00, line item 195629, Roadwork Development Grant, for FY22, for the City of Gahanna, for costs associated with the completion of public roadwork improvements in support of the ADB Safegate LLC project in City of Gahanna, Franklin County. Development is prepared to offer a grant from the Roadwork Development (629) Account for up to \$280,000.00, covering approximately 60 percent of the total eligible roadwork costs.

Roadwork Development Grants are awarded for public roadwork improvements that support the expansion or attraction of businesses. Eligible costs include widening, paving, road construction and reconstruction, and right-of-way infrastructure improvements such as sewer or utility lines.

In order to assist the ADB Safegate LLC project, the proposed roadwork project includes the extension of Tech Center Drive to service the proposed new North American headquarters for ADB Safegate LLC. The proposed expansion will serve as the main entrance and exit point from the R&D facility.

As a result of the project and State assistance provided, 24 new, full-time-equivalent jobs will be created, and 202 existing jobs will be retained.
