#### ACTION ITEMS

##### ACTION ITEM #1: RESOLUTION TO APPROVE 2023 TAX BUDGET

Pursuant to ORC §5705.30, the City's annual Tax Budget is due to be filed with the County Auditor on or before July 20, 2022. The Department of Finance is requesting a Resolution to approve the 2023 Tax Budget and to direct and authorize the Director of Finance to deliver the Tax Budget to the County no later than July 20, 2022. This will allow the County Budget Commission to determine that all property tax levies assessed by the City are needed and that they should be authorized and approved without modification. In October, the Budget Commission will certify the property tax levies and amounts, which will require Council's acceptance at that time.

The 2023 Tax Budget is based upon the City's 2022 five-year forecast which will be updated in the fall upon preparing the 2023 budget book and request to Council for 2023 appropriations.
