In response to our conversation, please except this request for a continuance for the appeal for 242 Empire Dr. sidewalk maintenance project. Due to unforeseen circumstances, the person that would be presenting my appeal is unable to attend due to an unexpected arrival of a family member at an airport and it will conflict with 7pm meeting time.

In advance I appreciate consideration and look forward to hearing from your response. If you need to contact me directly please contact via this email or 561-762-6436.

Kindest regards,
Lora Marsch
