Mid-Ohio Regional Planning Commission (MORPC) - AngelouCOVID-19 Information Resources:

MORPC launched a resource hub for local governments at [morpc.org/covid19](https://www.morpc.org/covid19) <<https://www.morpc.org/covid19>> with critical information geared toward community leaders and staff. We most recently posted our local government impacts survey results. The site has links to pages and best practices of local governments across Central Ohio all in one place. Please don't hesitate to share this resource. Let us know how we can improve it.

MORPC continues to hold weekly community leader briefings to bring you the latest, concise, and most vital information for local government leaders on the health crisis. These are geared specifically to the needs of townships and counties in partnership with the Franklin County Township Association (Tuesdays at 4 p.m.) and the needs of cities, villages, and associates in partnership with the Central Ohio Mayors & Managers Association (Thursdays at 4 p.m.). Email eleuby@morpc.org <<mailto:eleuby@morpc.org>> if you need call-in info.

Highlights from the April Board Meeting:

Congratulations to our new board leadership, including our new MORPC Chair, Karen Angelou! A longtime Gahanna City Council member, Karen is passionate about making Central Ohio a better place and we're excited for her leadership. Congrats also to Erik Janas (Franklin County) as Vice Chair and Mayor Chris Amorose Groomes (Dublin) as Secretary. Joining our Executive Committee will be Michelle Crandall (Hilliard) and Mayor David Scheffler (Lancaster). Congrats to all!

I want to thank Rory McGuiness (Columbus) for his outstanding service as chair for the past two years - as well as Matt Greeson (Worthington) and Eric Phillips (Marysville), who are both stepping back from years of service and leadership on Executive Committee.

Welcome the Village of Granville as a new MORPC local government member! We're looking forward to working with the village as our 74th community.

Thanks to all for attending our first all-online remote Commission meeting! We had over 100 participants! Please let us know if you have suggestions on how to make these remote meetings better.

Commission Updates:

- The Regional Data Advisory Committee and its working groups continue to move ahead, including its work with our Sustainability Advisory Committee to launch the Sustainability Dashboard in late spring.
- The Data & Mapping update highlighted the 2020 Census, including how COVID-19 has impacted it and how to track the response rates. Please make sure to get everyone counted!
- The annual Paving the Way meeting is also approaching - April 23 (more info below). For the first time, any community in the 15 -county region can benefit from using the new system.
- The Regional Policy Roundtable highlighted a recent update with Congressman Stivers and the Newly Elected Officials Legislative Update Call taking place April 17 (more info below). Recent focus has been on the state's COVID-19 state emergency relief bill (HB 197) and the federal Coronavirus Air, Relief, and Economic Security (CARES) Act.
- The Sustainability Advisory Committee will soon be updating the Regional Sustainability Agenda https://www.morpc.org/wordpress/wp-content/uploads/2019/08/MORPC_SA_Brochure_PRINT.pdf, one of our guiding documents. Their report also highlighted the importance of air quality alerts during ozone season. MORPC is collecting extra data for both air quality and the use of trails during the current public health crisis. If your community is doing additional trail counts right now, please reach out to us.
- The Metropolitan Planning Organization report highlighted the success of MORPC's recent Transportation Improvement Program Open House <https://www.morpc.org/openhouse/>, with comments due April 20. MORPC's draft 2021 Planning Work Program, which guides our transportation efforts.
- We're also finalizing the 2020-2050 Metropolitan Transportation Plan <https://www.morpc.org/mtp2050/>, with comments due today (April 13). Our May meeting will include the consideration of the Transportation Improvement Program, Planning Work Program, and Metropolitan Transportation Plan.
- The Transportation Policy Committee passed a resolution to amend the 2018-2021 Transportation Improvement Program to provide \$10 million in additional funding for the widening of I-71 between the Franklin County line and SR 665.
Upcoming Events: State of the Region and the Ohio Conference on Freight are both rescheduled for 2021, but here are some upcoming virtual opportunities.
- Mid-Ohio Finance Administrators Meeting - 12-1:15 p.m. April 14. The meeting will discuss fraud in government and protecting the public's money. Contact stsen@morpc.org
