WHEREAS, the Administration has identified available unreserved fund balances in the Capital Improvement Fund and General Fund to provide some cash financing for the 825 Tech Center Drive project; and

WHEREAS, within the cost estimates for construction, renovation, and improvements for 825 Tech Center Drive, there are several allowances and contingencies, of which most have the potential to decrease as the first stage of the project is awarded and the second stage is issued for bid; and the Administration recommends using \$7 Million of available General Fund unreserved fund balance for this purpose rather than borrow and pay interest for expenses that may or may not occur.
